

Flour Sifter

Whole grain flour is much healthier than bleached white “supermarket” flour. But, until now, it was nearly impossible to have ultra-fine whole grain flour. L'EQUIP's new Flour Sifter changes all that. This unit attaches to BOSCH Universal kitchen machines, and easily sifts the flour right into the mixing bowl.

Finally—Pastry Fine, Whole Wheat Flour

- Durable, sifting bowl is 100% BPA free
- 8 cup capacity
- Fits all style BOSCH Universal machines
- Cover lid included
- All removable parts are dishwasher-safe
