This mini sized mixer has maximum power. Using a bottom-drive motor and Drive Train, the NutriMill Artiste is turning the “Mixing World” upside down. It’s design is ergonomic, intuitive, and makes baking so easy. Use the Artiste to create dense artisan breads, or the lightest soufflé. It comes in a variety of attractive colors to match your kitchen décor, but is so compact it can easily be stored under a counter. With nearly a dozen attachments, it becomes a Universal Kitchen Machine perfect for every family.

“NutriMill’s NEW Entry Level Mixer is the perfect wedding gift. My daughter loved it”
-Barb, British Columbia
