Dear Jeneece

It was great to see you again at the Variety Club Telethon last weekend. It was definitely another great year thanks to the many efforts of so many volunteers and the generosity of the people who watched the show.

I want to once again commend you for your personal efforts to raise money. You should feel very proud of yourself for living out your dream to raise money to help kids.

Congratulations and I wish you all the best. I will continue to save my coins for your campaign.

Sincerely,

Gordon Campbell
Premier
