Dear Jeneece:

As Premier of British Columbia, I would like to commend you for being presented with a Courage to Come Back Youth Award on May 4, 2006.

These awards are presented to people who have shown the courage to overcome major obstacles in their lives, and you have certainly proven yourself to be a very worthy recipient. The strength that you have shown since being diagnosed with Neurofibromatosis is an inspiration to us all. Over the past few years, you have worked very hard to raise money for the Variety Club, Easter Seals, and Cops for Cancer. The time that you have spent organizing penny drives, and participating in other fundraisers for these groups, has really made a difference, and has helped to raise awareness across British Columbia about childhood illness. Your positive attitude and determination to help others, especially while you are facing your own challenges, has made you a true role model to others around you.

Congratulations on being selected for this very special award.

Sincerely,

Gordon Campbell
Premier
