Dear Ms. Edroff:

On behalf of the government and people of British Columbia, I am pleased to congratulate you on being recognized for a British Columbia Community Achievement Award.

This Award is an acknowledgement of your hard work helping children less fortunate than you. Your penny drive and other efforts, which have raised close to \$350,000 for Variety and other children's organizations, show you to be a truly compassionate young person. While others may say they would like to help but don't know where to start, you took on this challenge. With energy and enthusiasm you went on a mission and a lot of kids in Victoria, and all around British Columbia, have been helped as a result.

Thank you for your contribution. You are a role model and an inspiration. Your work is really making a difference.

Congratulations.

Sincerely,
