Dear Angie:

Thank you for your nomination of Jeneece to be considered for induction to the Terry Fox Hall of Fame in the achiever category.

Your nomination will be sent with the other nominations to each member of the selection board in late May. The board will meet in June after having reviewed the information on each candidate.

All nominations are considered for a total of three years; the names of those not selected this year will automatically be put forward again next year.

We will be notifying only those selected. If you do not hear from the Foundation and would like information on the 2006 inductees, do not hesitate to contact us.

Sincerely,

Joan Champ

P.S. I have enclosed our WhyNot Magazine that is published in conjunction with the Induction Luncheon last year.
