We Can Change the World
Capo 4th fret © 2012 Lakeview Elementary School, Lethbridge & Lowry Olafson

C
Chorus: We can change the world,
F In everything we do,
G And every one of us is part,
C There’s room for me and you.
F We’re like a family,
C Here at Lakeview School,
G We can change the world,
C Together me and you.

F
Every one of us is different
C But in our hearts, we’re all the same
F We have gifts that we can share
F All of us can care
G Be the ones to light the flame.

Chorus

We come from many different cultures,
Many languages and lands,
There’s so much that we can learn,
If each of us in turn
Tries to understand…
